Re : Certificate for M9001RW

We hereby certify that our resin complies with U.S. Food and Drug Administration (FDA) 21 CFR part 177.1520 when used unmodified for food contact applications. This section allows for use in packing or holding food. This statement refers to the extraction limitations only, not to the product's physical utility.

The uses cited above are subject to good manufacturing practices and any limitations, which are part of the regulations, should be consulted for completed details.

For your information.

Sincerely yours,

(Kachamas Wongprechasawad)
